Spreading smiles, sharing joy

ABOUT US

Foundation for Development Action (FDA) is a not-for-profit development organisation registered on 19th June 2008 under Society Registration Act 1955 at Pathanamthitta Kerala. The organisation is guided by professionals from the field of Social Work, Law, Health and Counseling. We envision safer societies, empowered communities and resilient nations. Our vision gets translated into a mission through implementing various social development initiatives, empowering communities, engaging youths and enhancing resilience towards disasters.

OUR VISION

We envision safer societies, empowered communities and resilient nation through active engagement of children, youth and communities at large.

OUR MISSION

Our mission is "to partner with vulnerable communities in shaping disaster - resilient society; ensure every child enjoys childhood to live a life with dignity and engage youth to achieve exceptional performance in their business enterprises

Our Focus

DISASTER RISK REDUCTION (DRR)

DRR is an approach and a practice of reducing disaster risks through careful analysis and management of its causal factors

COMMUNITY-BASED DISASTER RISK MANAGEMENT PROGRAMME (CBDRM)

Local community play a great role in reducing the impact of disasters. For building community resilience to disasters, we do,

Sensitization on DRR

Formation of volunteer groups

Training on Shelter Management

Participatory Capacity & Vulnerability Assessment

Preparation of resource, hazard and vulnerability maps

Training on Early Warning & Dissemination

Preparation of Community Based DM Plan

Training on Basic Life Support

Training on Rescue

School Safety Programme (SSP)

Institutional strengthening and capacity building of teaching, non-teaching and student community on school safety will foster the culture of disaster preparedness and reduce the impact of disasters in schools.

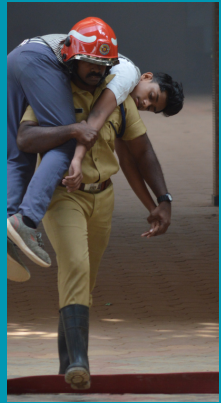

Our services include

- Participatory Capacity & Vulnerability Assessment.
- Sensitization on basics of Disaster Management.
- Training on Rescue
- Training on Basic Life Support.
- Training on Stress Management for school bus driver.
- Training on Life Style Diseases for school bus drivers.
- Preparation of School Disaster Management Plan.

- Participatory mapping exercise
- Setting up of School Disaster Management Committee.
- Training on basic firefighting.
- Conducting fire and earthquake mock drills
- Awareness programme for students on Rescue, Basic Life
- Formation of Volunteer Groups (teaching & non-teaching staffs)

CHILD DEVELOPMENT

FDA believe in strengthening of institutional setup by working hand in hand with government agencies and non-governmental organizations who share common platform to ensure rights, dignity and protection of children to achieve the larger objective of child development. We work with children in conflict with law, Survivors of child sexual abuse and children in need of care and protection

Kaval

KAVAL is a community-based programme to reach out to Children in Conflict with Law. The project is supported by the Department of Women and Child Development, Government of Kerala. We follow a robust protocol in providing psychosocial care and protection services through professional Social Workers trained by the National Institute of Mental Health & Neuro Sciences (NIMHANS), Bengaluru.

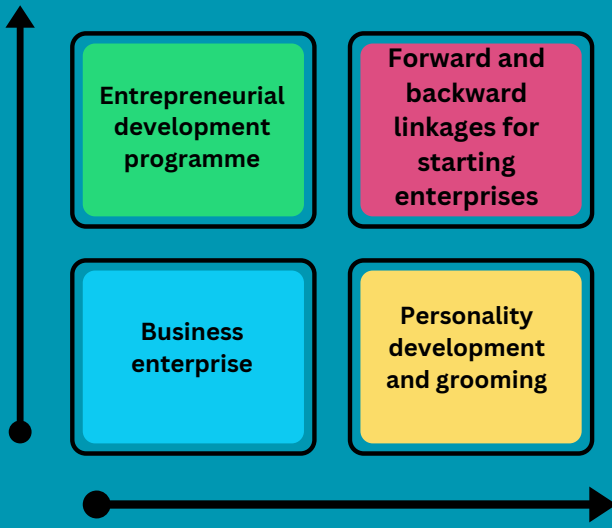

Kaval Plus

KAVAL PLUS is an innovative programme implemented by government of Kerala through the Department of Women and Child Development to support survivors of child sexual abuse (CSA) and children in need of care and protection (CNCP), thereby reducing the potential danger of being labelled and isolated from society. The purpose of the programme is to reach out to children and provide psychosocial services to the children and their family.

SECURE LIVELIHOODS

FDA provide capacity building training programme for unemployed youths for starting gainful business enterprises of wage-self-and group nature.

CAPACITY BUILDING

FDA impart and facilitate capacity building training programmes for stakeholders like children, youth and professionals.

Fire/Earthquake mock drills

Life skill training

Positive parenting

Entrepreneurial development programme

Participatory Learning and Action Programme
